Who's Who

Among Students In American Universities and Colleges

One woman and eleven men at Presbyterian College have been named to the 1966 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES. Those students selected have been accorded the highest honor an undergraduate may receive.

Samuel Calvin Waters

Lewis Russell Nelson

Selection to Who's Who is considered to be one of the most outstanding honors which a college student can obtain. The students are selected from more than seven hundred and fifty colleges and universities all over the United States. Thus, the honor of being named to Who's Who becomes greater because of the limited number of students chosen. This honor gives national recognition to students excelling in leadership, character and scholarship on American campuses. The task of choosing the members of Who's Who is one of great importance and magnitude. A complete summary of each student is carefully considered. The campus nominating committee, composed of faculty representatives on campus, are instructed to consider in making their selection, the student's scholarship, his participation and leadership in academic and extra-curricular activities, his citizenship and service to the school and his promise to future success.

The Student Council, whose members are elected from each class, serves as the organized link between the faculty, administration and students. The Council, being a representative body, has a hand in planning every phase of student activity.

The primary responsibility of the Student Council is to ensure the enforcement of the Honor System. It must be clearly understood that the Council is a judicial body and as such leaves the maintenance of the Honor System to the individual and collective responsibilities of all the members of the Student Body.

Davies, Nelson
Senior Representative

Herlong, Johnson

Government

Being on the Student Council consumes much of a student's time. Many times during the year, the members are required to meet and discuss pending problems; to the Council member, these meetings always seem to be held the night before an hour quiz.

Organization Of Women Students

Susan Helen Gilbert
President, Women's Council

Paula Evans, Chairman, Judicial Board
Angela Reyes, Chairman, Standards Board

The Organization of Women Students was formed in the Spring of 1965 in order to fulfill the need for coordinating the activities and setting and enforcing the rules and standards made necessary by full-scale coeducation at Presbyterian College. The OWS is headed by the Women's Council, which is composed of three executive officers, the Chairman of the Judicial Board, the Chairman of the Standards Board, and four class representatives. Two further branches of the OWS include the Judicial Board, whose function it is to enforce the Rules for Women and to act in cases of disobedience, and the Standards Board, which acts in a similar capacity where the Standards for Women are concerned.

The primary accomplishment of the organization has been the establishment of an effective system of self-government among the women within which the problems of dormitory life can be solved and the responsibilities necessary to maintain such a system are shared.

The Student Christian Association was formed to aid the development of Christian character on the Presbyterian College campus. In achieving this end, the scope of activities for this year included a Freshman orientation program, in which the freshmen were introduced to every facet of life on the campus, a fall picnic which formally initiated rat season, publication of the student directory, the presentation of Religious Emphasis Week, and the sponsoring of the spring picnic and fraternity sing.

The Blue Stocking

The Blue Stocking, weekly publication of the student body, aligned itself with the nation's college journalists by declaring: "The mere fact that this press is a student press does not release it from the historic and social responsibilities inherent in the publication of any newspaper."

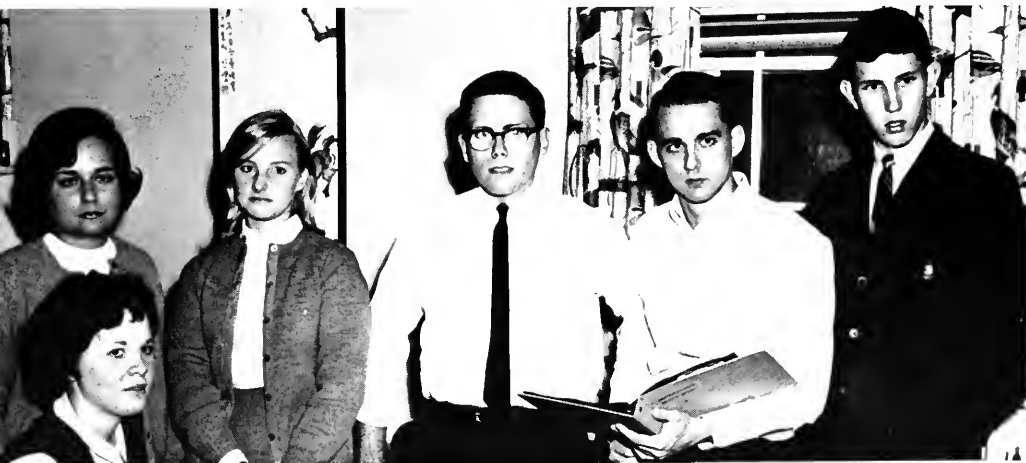

A member of the Associated Collegiate Press, the U. S. Student Press Association, and the S. C. Collegiate Press Association, the Blue Stocking has been designated "All-American" fifteen times by the ACP; twice it has ranked among the ten best college newspapers in the United States, regardless of size.

This year it became a contributing affiliate of the Collegiate Press Service, and its editors have been hosted at the White House, United Nations, and New York Overseas Press Club.

Westminster Fellowship is a group of students who, together, are striving through study, work, worship, and fellowship to embody the reality of Jesus Christ in their lives.

With the changing scene at the campus, the Council took the initiative this fall, and had a retreat to plan the programs for the entire semester; the programs were centered around the doctrines and beliefs of the Presbyterian Church.

All has not been work; we have had a lot of good fellowship together. There has been a hayride and a hotdog cookout, the annual carolling trip to Whitten Village and Thornwell Orphanage complete with a Santa Claus.

Programs for second semester were centered around the consideration of the world's major religions.

Inter-fraternity Council

The purpose of the Inter-Fraternity Council is to maintain a spirit of harmony and cooperation among the fraternities, provide for just and uniform fraternity regulations, facilitate active social life on campus, and work with the Faculty Committee on Fraternities.

This year the IFC proposed civic projects for all fraternities. It was the hope that these projects furthered the image of the fraternities in the community.

The "Rush" season was shortened from a previous period of five weeks to four weeks. This proved to be more acceptable to both the fraternities and the faculty. Due to these changes, the IFC began the process of re-writing the constitution. In the future, the IFC hopes to have a more workable "Rush" procedure.

Alpha Sigma Phi Fraternity was founded at Yale University in 1845. Alpha Psi Chapter was chartered at Presbyterian College in 1928 as the fourth national fraternity on campus.

The closed rush party which was a tremendous success began the social season along with drop-ins and informal parties on the weekends of home football games. The highlight of the football season was the Homecoming Dance held at Barnes' Barn. The Alpha Psi homecoming display won first place and \$25. The Smoker Club brought smoke-filled rooms at the Mary Musgrove. Nineteen new pledges attended the annual pledge supper. The Christmas dance proved to be one of the best weekends of the year.

Second semester started off with a Valentine Party. Then Military Ball and the long-awaited Greek Weekend left many memories with brothers, pledges, and guests. There were final exams, and then everyone was off to the beach for food, fun, frolic, and girls. Thus came to a close a very successful year for Alpha Sigma Phi.

Kappa Alpha Order was founded upon the campus of Washington College (presently Washington and Lee University) at Lexington, Virginia on December 21, 1865. Striving to find an ideal upon which to pattern their lives, the charter members selected as their spiritual founder Robert Edward Lee of Old Virginia. As President of the college, Lee humbly instilled in the minds of his students the essence of his greatness. The Beta Pi Chapter at Presbyterian was organized in 1924.

On Pledge Day in mid-October, 16 freshmen pledged Beta Pi and joined in the traditions and heritages of Kappa Alpha Order. The social year for Beta Pi began with rush season; Homecoming; Parents Day; Christmas Dance weekend; Wild West and the "Last Posse"; Military Ball; I.F.C. Dance; and Greek weekend. The pinnacle of the social year for KA's was the Old South Convention held in Augusta, Ga., on March 17th and 18th. With beards, Gentlemen uniforms, "Hooped dresses," mint juleps and Southern hospitality, the Share Cropper's Shindig, Secession Ceremony, and the Old South Ball were held at the Town House Hotel. At the Ball Miss Jeannie Byrd of Queens College in Charlotte, N. C. was presented as the 1966 Rose of Beta Pi Chapter.

Following graduation the new officers will attend the biennial convention and after "rush" a fresh group of hoys will join in the brotherhood of Kappa Alpha Order.

PI KAPPA ALPHA was founded at the University of Virginia on March 1, 1868. Love of brotherhood, sympathy, and friendship were the ideals which inspired her founders. Pi Kappa Alpha's growth has been rapid and she is now among the largest of the national fraternities.

MU CHAPTER, founded here in 1890, is the oldest fraternity on Presbyterian's campus. Mu has had a successful history and has consistently been one of Pi Kappa Alpha's best chapters.

Mu began her first semester social activities with a barbeque at the Legion Hut. After the barbeque and a successful closed snoker came Homecoming weekend with entertainment furnished by Maurice Williams and the Zodiacs.

Pledge Day was a success with the pledging of twenty-six men. The celebration that night was a supper at the Mary Musgrove. A great Christmas Dance weekend came with the return of Dr. Feelgood and the Interns who raised everyone's spirits. On the same weekend the brothers and pledges of Mu gave a Christmas party for the children at Thornwell.

Shortly after the second semester began, Mu gave her pledges a dance. Military Ball and I.F.C. dance weekends were certainly enjoyed. The Pjka's again visited Thornwell with her annual Easter Egg hunt. Mu was well represented at the Carolina Cup and at the beaches during the Spring. Then came the much anticipated Roman Holiday. Our anticipations were richly rewarded.

At the end of the year Mu prepared to say farewell to her seniors who had guided her through another successful year . . . but not before a week at the beach. Truly, this was a great year for the Men of Mu.

Pi Kappa Phi stands out as being the only National Fraternity that was founded in this state. It had its beginning in 1904 at the college of Charleston. Beta Chapter was founded three years later here at Presbyterian, making it the second national fraternity on campus.

The social events of the first semester included an outstanding Homecoming and one of the best Parent's Day receptions ever. The Pi Kapps had a great rush and everyone was pleased with the results. Also, the Christmas Dance weekend was held as a "Cowboy Christmas"—a theme and a party that will long be remembered. The pledges did an excellent job of entertaining the brothers during this weekend.

Second semester brought in more great parties such as Military Ball and Greek Weekend, not to mention other parties held in between. Of course the most remembered will always be the annual Shipwreck Ball, which is the weekend most looked-forward-to for all the Pi Kapps.

In closing, special thanks should be given to our chapter advisor, Zeb Williams, who has helped make this the best year yet for Pi Kappa Phi.

Sigma Nu

"To believe in the Life of Love . . . To walk in the Way of Honor . . . To serve in the Light of Truth . . . This is the Life, the Way, and the Light of *Sigma Nu*. This is the *Creed of our Fraternity*. "Sigma Nu, an HONOR FRATERNITY, was founded at the Virginia Military Institute on January 1, 1869. ZETA THETA chapter was founded at P. C. on January 13, 1951, with the house being built in 1955.

For the last two consecutive years the Sig's have won the All Fraternity Intramural Trophy and this year, with strong support from returning brothers and new initiates, The Nu's have placed, in overall competition, second in football, first in pool, and third in swimming. The Sigma Nu's are well on the way to winning both the All Intramural and the All Fraternity Trophies again.

The 1965 social season opened with its annual rush party at Spartanburg, a Smudge Contest, closed smoker, and Pledge Day. Homecoming, with the Sig's using an airplane to drop booster sheets, showed their originality and initiative in boosting school spirit. Christmas Dance weekend also aided in rounding out the first semester.

Second semester was again filled with events for the returning brothers and pledges. Sadie Hawkins Party for the brothers, I.F.C. weekend, Military Ball, and several other parties did a good job of entertaining the Nu's. The highlights of the 1965-66 year was the annual White Star Dance, a formal affair, which all brothers and pledges will remember long after their college days are through. After final exams, many will go to the beach party, work, or summer school. Those who graduate will have left their mark in Sigma Nu, and so ends another year for ZETA THETA Chapter of SIGMA NU.

Theta Chi

THETA CHI Fraternity had its beginning in the Old South Barracks at Norwich University where it was founded by Frederick Freeman and Anther Chase. From these two men has grown a fraternity which today is the eighth largest in the nation. Our chapter here at P.C. was formed on December 5, 1942.

Rush began officially with a rush party at Winthrop, the music being furnished by the *Untouchables*.

Pledge day, about three weeks later, turned out great for the chapter with twenty-two boys pledging. That night the pledge supper was held in Greenwood with two-inch steaks being the main attraction.

The Brothers and pledges of Theta Chi are looking forward to a full and exciting year which includes the annual Rebel Reunion, Greek Week, Christmas Dance with the Dynamics and numerous smaller suite parties. In addition to parties, we participate in community-help projects, children's Christmas parties, and the Easter egg hunt given for the kids at Thornwell.

Thus through an intermingling of study and fun, we the Men of Theta Chi attain a well-rounded education at P. C.

CAMPUS INTRAMURAL ASSOCIATION

The intramural sports program of Presbyterian College has to rank among the best in any college in the South regardless of size. The administration realizes the importance of such a program, and little expense is spared to provide the best possible program for the students. It has been estimated that over 80 per cent of the student body participates in at least one intramural sport sometime during the year, and many participate in many more than one sport. The program is set up under the auspices of the SCA, under the direction of Bill Crowley. Sports of the year were:

FOOTBALL—won by the pounders in a play-off.

SWIMMING—won by Pi Kappa Alpha.

FOOTBALL

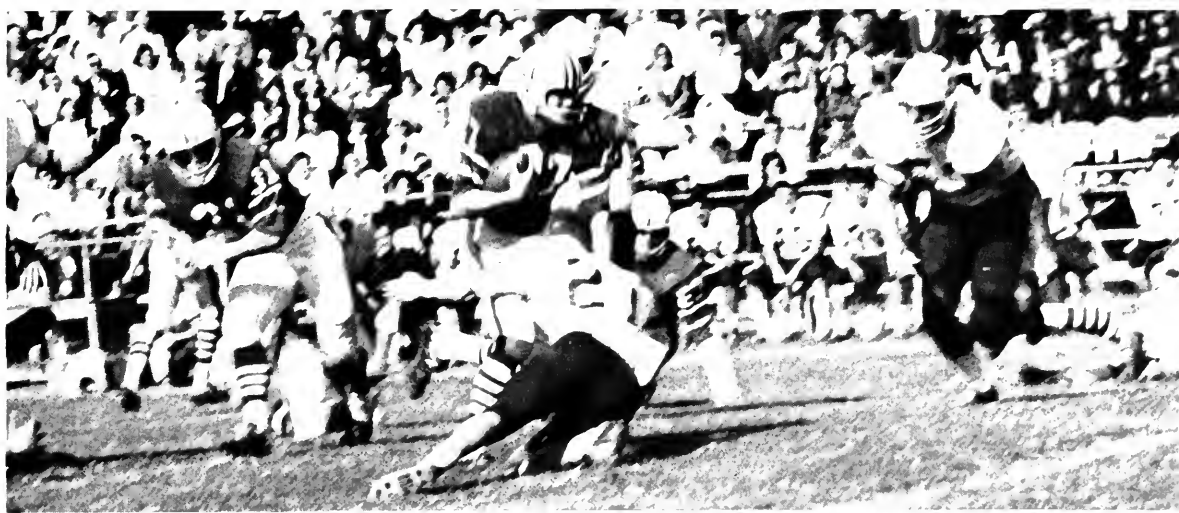

PC had quite an unusual season in 1965 winding up with a 5-5 record. It was a season which began with disaster and ended with disaster but was very impressive in the middle. At one time it looked like the Blue Hose would have a 0-10 season and at another point it looked like it might be 8-2.

For the season PC was led by Sam Williams and

Wade Stewart in the rushing department with 522 and 421 yards respectively. Bill Kirtland completed fifty percent of his passes for 903 yards. James Smith was the leading receiver with 17 receptions for 182 yards. Jimmy Elliot was one of the leading punters in the nation with a 41.1 average. Richard Reed was good on 13 out of 13 extra point attempts.

Coaches Lawrence, Tiller, Gault, Musselman, and Nixon.

Halfback, Wade Stewart, breaks into secondary.

PC 0 — DAVIDSON 35

The Davidson Wildcats kicked off the 1965 football season with a 35-0 win over PC. After a scoreless first quarter, Davidson drove 65 yards for a touchdown with five minutes left in the half. A fake punt from the PC 43 set up the score. The Wildcats came back with another score the next time they got the ball on a 63 yard drive. At the half it was Davidson 14- PC 0.

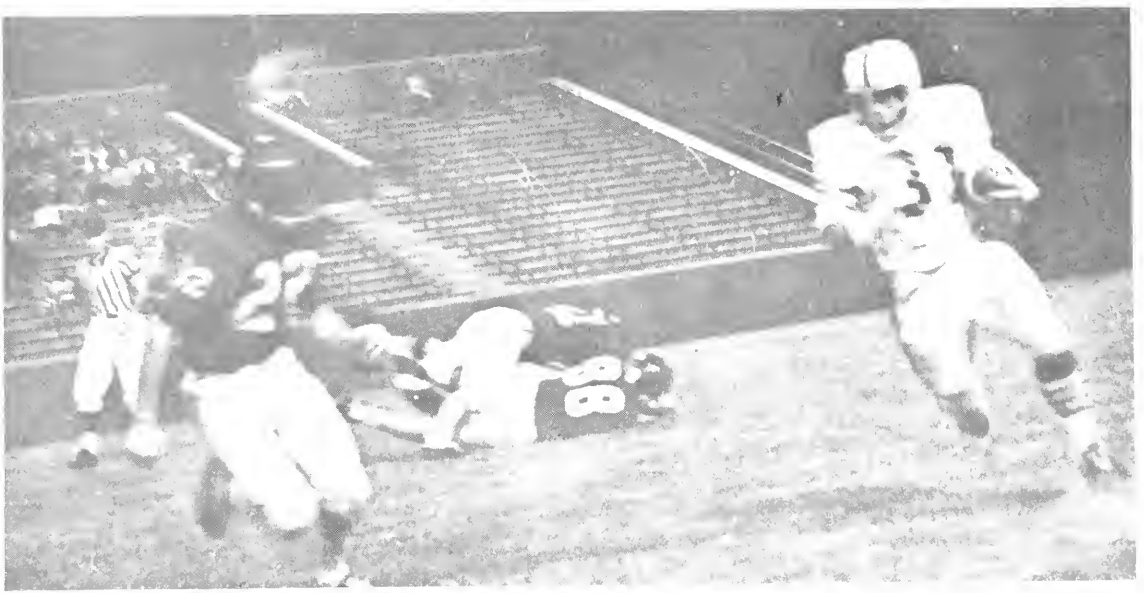

Davidson scored the first time they had the ball in the second half on a 41 yard pass play. The Wildcats scored twice in the final four minutes on interceptions deep in Blue Hose territory. Freshman quarterback Bill Kirtland moved the Blue Hose to the Davidson 16 on four completed passes, but the clock ended the PC threat.

PC 14 — LENOIR RHYNE 35

The Bears of Lenoir Rhyne gave PC its second straight defeat of the season 35-14. After a scoreless first period, Ed McGeachy took a pass in at the PC 45 yard line and went on in for the touchdown. PC fumbled two plays later, and Frank Bell scored from the 10 to give the Bears a 14-0 advantage at the half.

Early in the third period PC fumbled a Lenoir Rhyne punt, and the Bears recovered at the Blue Hose 25. Bell scored on the next play, and the Bears led 21-0. PC came back behind the running of Sam Williams and two catches by Richard Reed. Bill Kirtland then passed 14 yards to Don McNeill for a touchdown. A two point

conversion attempt was no good.

Lenior Rhyne scored with ten minutes left by blocking a PC punt, and Bell ran over from the five. PC came back again on Kirtland's arm. After a 21 yard pass to McNeill, Kirtland passed 48 yards to James Smith for the touchdown. A pass to Reed was good for the two point conversion.

The Bears took an onsidess kickoff and marched 53 yards for the final score of the game. Bell scored three touchdowns for the Bears. PC was led by the running of Williams and Kirtland's passing.

PC 12 — WOFFORD 7

PC upset their arch rivals, the Wofford Terriers, 12-7 in the Blue Hose first home game of the season. The undefeated Terriers and the Blue Hose played a punting game in the first period with Jimmy Elliot keeping PC out of the hole.

Wofford took a PC punt on their own 48 to begin the second quarter. After a penalty for clipping, Warren Whittaker passed to Ted Phelps to get a Terrier first down in PC territory. Two plays later Whittaker passed 29 yards to Paul Infinger for a touchdown.

Late in the half PC drove 74 yards for their first touchdown. Bill Kirtland sparked the drive by complet-

ing four passes for 68 yards. The drive was climaxed by an 8 yard pass to James Smith. The big gain in the drive was a 33 yard pass to Richard Reed. The conversion attempt was wide and Wofford led 7-6 at the half.

PC took the second half kickoff and marched 70 yards for a touchdown. Sam Williams broke away for a 40 yard run in that drive. Kirtland passed 5 yards to Jim Johnson for the winning touchdown. The extra point try was again no good.

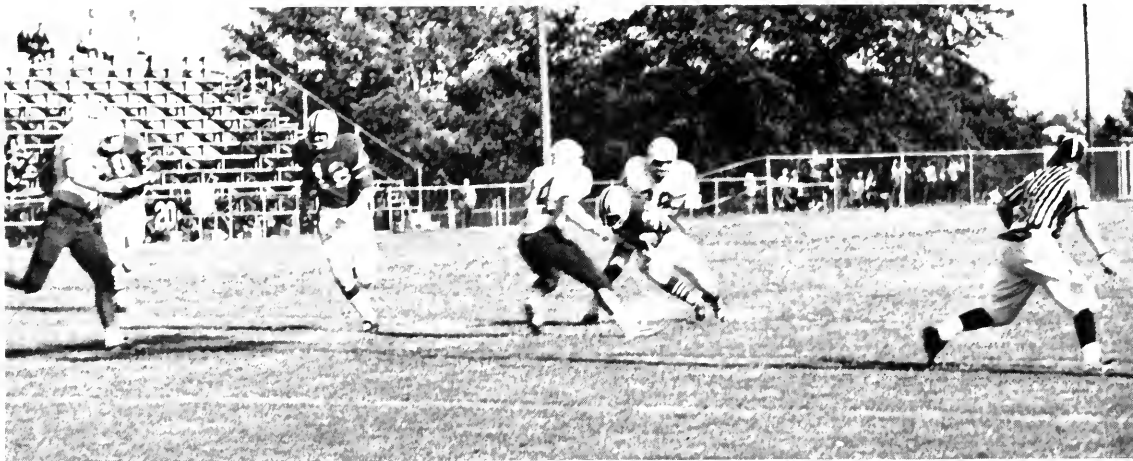

PC threatened twice more in the game, but the Terrier defense held. Sam Williams rushed for 132 yards in the game while Kirtland passed for 256 more.

PC 14 — ELON 7

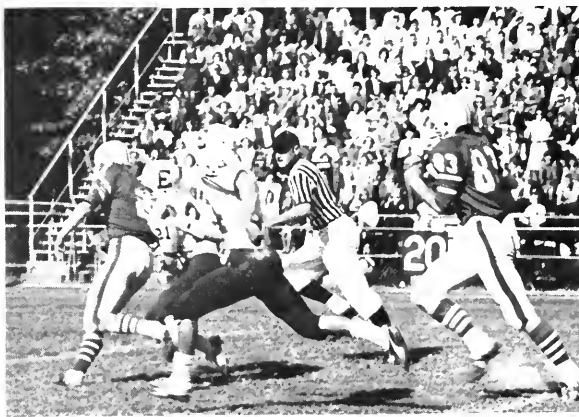

PC won its second straight game of the season 14-7 over Elon. It was the second upset win for the Blue Hose in as many weeks. Midway in the first period a double reverse play resulted in Elon recovering a PC fumble at the Blue Hose 26. The Fighting Christians scored in six plays and the conversion was good. The first quarter also saw PC lose first stringers Don McNeill and Bill Kirtland due to injuries.

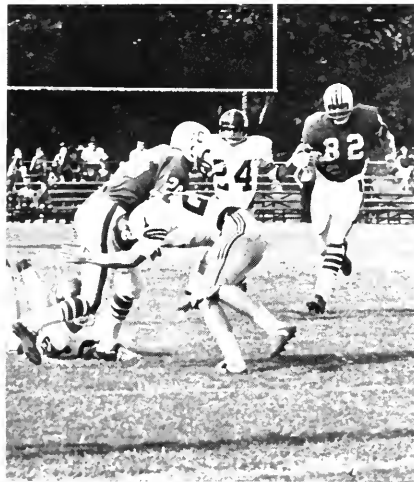

With Paul Ferguson at the controls PC moved 79 yards for a score late in the second period. Wade Stewart had a big run of 27 yards in the drive. Ferguson completed a crucial fourth and ten pass to Jimmy Bankhead that carried to the Elon 10 yard line. Ferguson then passed 4 yards to Richard Reed for the touchdown, and the score was 7-7 at the half.

PC then marched 85 yards for a touchdown with Sam Williams grinding out 42 of the yards. The score came on a 41 yard pass from Ferguson to Dan Eckstein. The conversion by Reed was again good.

The rest of the game was an even battle between the two teams. Eckstein intercepted two Elon passes to end any of the Fighting Christians hopes.

Speedster Stewart nearly goes the distance as Elon defenders give chase.

Jim Johnson is stopped near Furman goal.

Eager fans are up for Homecoming.

PC 14 — FURMAN 7

PC upset the Furman Paladins 14-7 for its third straight win before a Homecoming crowd. Jim Johnson ran the opening kick off back 89 yards for an apparent score, but the ball was brought back to the Furman 40 because Johnson stepped out of bounds. On the next play, Dan Eckstein ran 36 yards to the Paladin four. On first down Wade Stewart went over for the touchdown, and Richard Reed's conversion was good.

Furman came right back by driving 74 yards for a touchdown. Steve Wyche sparked the drive with a 20 yard run and two completed passes. Wyche sneaked over from the one to climax the drive, and it was 7-7 at halftime.

Late in the third quarter PC drove 90 yards for what proved to be the winning score. Sam Williams and Stewart both had runs of 17 yards in the drive. Williams finally scored from the 4 yard line. Reed's conversion was again good.

The fourth period saw PC drive inside the Furman 20 yard line twice. Furman's best drive carried to the Blue Hose 42. Wade Stewart paced PC by rushing for 117 yards.

Seeming to have wings, James Smith arrives at action too late.

PC 21 — TROY STATE 0

PC won its ninth straight game at home stretching over a three year period by dropping Troy State 21-0. After Troy drove to the PC 26 yard line Brian Balkcom intercepted a pass which led to the first PC score. Bill Kirtland sparked the drive with three pass completions for 63 yards. Jimmy Bankhead caught a 9 yard pass for the score, and Reed converted.

PC scored again late in the second half when Bob Warren recovered a Red Wave fumble at the Troy State 24 yard line. Sam Williams dove over from the one, and Reed converted. At the half PC led 14-0.

The fourth period saw reserves playing most of the way. Paul Ferguson directed a 91 yard drive for the final score. The drive was climaxed by a 8 yard pass from Kirtland to Dan Eckstein. Kirtland led the Blue Hose with ten completions for 157 yards.

PC 10 — APPALACHIAN 26

PC suffered its most disappointing loss of the season in a 26-10 upset to the Appalachian Mountaineers. After being stopped inside the Appalachian 20 the first time the Hose had the ball, PC held the Mountaineers and drove to their 4 yard line from which Richard Reed kicked a field goal.

Beginning the second period, Appalachian recovered a PC fumble on the Blue Hose 28 yard line. Four plays later Don Ferrill passed 10 yards to Wayne Byrd for the score. The Mountaineers immediately intercepted a PC pass at the Hose 39. Nine plays later Appalachian led 14-3. The touchdown came on a 4 yard run by Bobby Bobo.

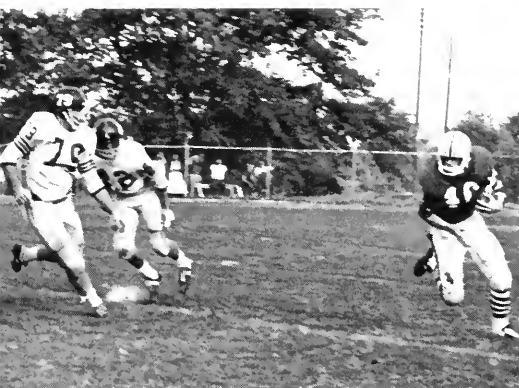

PC moved 87 yards for a touchdown the first time it had the ball in the second half. Wade Stewart sparked the drive with a 57 yard run. Bill Kirtland passed 14 yards to Don McNeill for the score, and Reed converted.

From here on out it was all Appalachian. Following the kickoff, Bobo broke loose for a 67 yard run which resulted in a field goal from the 29. When PC's Jimmy Elliot was tackled on the Hose 30, the Mountaineers upped the score 24-10 on a pass to Ferrill from Guy Flint.

PC 37 — FREDERICK 14

PC rebounded from last week's loss with a 37-14 trouncing of the Frederick Lions. The Hose marched 69 yards for a touchdown the first time they had the ball. Wade Stewart had a long run, and Bill Kirtland passed 26 yards to James Smith for the big gains. Sam Williams plunged over from the one for the score, and Richard Reed converted.

The Hose scored again late in the first period on a 52 yard drive. Williams carried most of the yardage in the drive. An eleven yard pass from Kirtland to Smith resulted in the score with Reed converting.

The Lions scored early in the second period on a 72 yard pass and run from Jim Cruthoff to Ted Putnam, and Dennis Kozlowski converted. PC came right back when Stewart broke away for a 62 yard touchdown run. A try for a two point conversion was no good.

A PC fumble at the Frederick 13 resulted in the final Lions score. Putnam scored from the four yard line and the conversion cut the score to 20-14 at the half.

PC recovered a Lion fumble at the Frederick 30 which resulted in a 24 yard field goal by Reed. The Hose scored two more times in the fourth period to round out the biggest win of the year. Don McNeill scored on an eight yard run, and Paul Ferguson passed 16 yards to Robert Hackle to round out the scoring.

Stewart and Smith display excellent teamwork.

PC's line allows no penetration as Reed demonstrates pin point kicking accuracy.

PC 7 — WESTERN CAROLINA 8

Presbyterian suffered a heart breaking 8-7 loss to the Western Carolina Catamounts. The first half turned out to be a defensive game for the Hose. PC lost the ball four times in the first half by three interceptions and a fumble. The deepest penetration of the half for the Hose was to the Catamounts 13 yard line.

Western Carolina was held to just 17 yards rushing by the defensive efforts of Billy Love, Bob Warren, and Allen Harris. The Catamounts deepest penetration was to the PC 48.

After a see-saw battle for most of the third quarter, PC finally scored late in the period. The Hose drove 42 yards for the score with two passes from Bill Kirtland to Jimmy Bankhead and James Smith. Kirtland scored on a five yard run after he couldn't find anyone open for a pass. Richard Reed converted the point after.

PC punted to the Western Carolina 15 late in the fourth quarter. On the first play from scrimmage Ted Wilbur passed to LeRoy Holden who went 85 yards for the touchdown. Then Wilbur hit Tom Tinky with a jump pass over the center of the line for the winning two point conversion.

Jimmy Elliott shows excellent form in getting off booming punt in season finale.

PC 0 — NEWBERRY 6

Presbyterian lost its bid for a winning season with a 6-0 loss to Newberry in the Bronze Derby classic. PC received the kickoff and marched straight to the Indians 16 yard line before losing the ball on downs. In that drive PC was sparked by a 36 yard pass from Bill Kirtland to Don McNeill and a 16 yard pass to Wade Stewart. The Blue Hose held the Indians and marched right back to the Newberry 25 yard line.

From this point on the tempo of the game turned to all Newberry. The Indians moved into PC territory four times before the half only to be held by the PC defense which was led by Sam Lyons and Joe Lawson.

The third period was a repeat of the first half. Early in the fourth quarter Newberry took a punt on the PC 46 yard line and proceeded to drive in for the winning touchdown. Wayne Dufford ran 30 yards to the PC 16. After a six yard loss, quarterback Benji Kirkland threw a 19 yard pass to Darrell Holder for the game's only score. The conversion attempt was no good.

The rest of the game was a preview of the early part of the game. The Blue Hose got a last chance drive going near the end only to run out of downs at mid-field.

McNeill's off and running as Bankhead throws bone crushing block against Newberry defender.

Smith bulls his way for extra yardage against Indians.

Hose Captain, Doug Allen, wins jump.

BASKETBALL

Coach Art Musselman

Presbyterian College basketball team posted a seven wins and sixteen loses season. The Blue Hose were hampered when three expected starters did not return forcing Coach Art Musselman to go with some inexperienced players.

Sophomore Ken Martin led the Blue Hose scoring with a 16.0 average followed by Richard Quillen and Jimmy Bankhead with 14.7 and 13.3 averages respectively. Doug Allen led the team in rebounds with 192 while Quillen averaged 9.7 rebounds for the top mark.

Martin led the team in field goal accuracy while Bankhead was tops from the charity line. With three starters returning, the Blue Hose can expect better things in the future.

Then comes the grueling battle for the state championship. The toughest competition for the Blue Hose should come from Clemson, but Citadel and South Carolina could be dark horses.

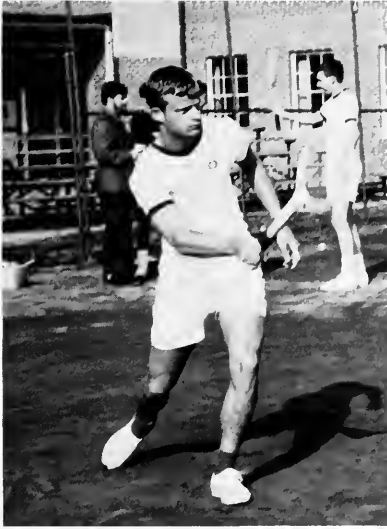

The team will be formed around the nucleus of defending state champion number one singles man Bob Harris and Pete Collins. Larry Conley, Doug Haynie, and Robbie Hibbits could strengthen the Host netsmen after a little experience. Nowcomer Hart Cobb will be counted on to round out the top six.

Seniors

The Senior returned to the campus at the beginning of the Fall Term with great hopes and expectations for his final year. Big plans are made and the Senior becomes even more anxious to be let loose on the world. However, he realizes that he must make the best of the occasion, and lives each dance weekend to its fullest, for they will be his last. But a serious attitude prevails and interviews with large companies and graduate schools are held as the Senior is continually making final preparations for graduation.

With the Presbyterian ring on his finger the Senior orders his diploma. The focal point of his college career approaches as his last final exam schedule is undertaken.

The day arrives. With many friends and a happy family in attendance, the Senior receives his degree and bids a last farewell to his Alma Mater as it fades into the hills.

Juniors

As a student enters into his Junior year, he has a full realization of what Presbyterian College means to him. He has overcome the cockiness most often associated with the Sophomore and in its place he develops the maturity of a responsible citizen. He has become an integral part of college life by his participation in extracurricular activities and his earnest desire to better the institution he calls home.

When the third year arrives, the student is usually well into his major courses. Soon the realities of his Senior year and graduation will stare him in the face. If he is to reach the goal he has set for himself much hard work will be ahead. Possibly here for the first time he learns to budget his time and keep abreast of his many duties.

Activities, organizations, and fraternities occupy a large portion of a Junior's time. This year they are the workers—next year they will be the leaders. Here he finds just what his capabilities are and just what he can offer his fellow students and his school. It is here he develops into a better and more useful citizen.

Then, magically, the year is over and the Juniors are now the next graduating class. The fun and frolic, the trials and hardships of the Junior year are behind them. Still the question "Who am I, where am I going"?

Sophomores

A Sophomore was defined in ancient Greece as a wise fool; at Presbyterian he is a man eagerly awaiting the opportunity to tell a "rat" everything about nothing. This "fool" gains an extreme feeling of superiority as he begins his Sophomore year. He realizes that he is not the lowest form of life this time around. He gets revenge for all the "ratting" he was subjected to his Freshman year.

As he registers and attends classes for the first couple of weeks, he realizes that this year is indeed harder than the Freshman year. His courses get more involved and his time is taken more by extracurricular activities, fraternities, publications, professional, and service organizations, as well as religious activities.

After much pondering on his own, advice from others, and parental demands, he decided on a major course of study that, in all probability, will be his life's work. Once this decision is made, he can plan for his next two years.

Freshmen

The Freshman year at Presbyterian College is a year of new experiences, uncertainty and confusion. This is a period in which the Freshman must put aside his high school days and instead turn his sights toward an endeavor to realize his purpose and potentialities as a college student. In order to guarantee that the Freshman starts out on the right path, he is inducted into the college way of life through a carefully planned orientation week, "Rat" season, rush season and a strenuous schedule of academic studies. The uncertainty of his own future is soon forgotten as he begins to make friendships which will follow him throughout his college days and life. He finds that college is a world within itself with many intricate facets to be sought out and explored. He is on his own and there are so many things he could do—but doesn't.

After a thorough indoctrination on the Presbyterian College tradition, the Freshman goes through a transition period known as "Rat" season in an effort to aid him in making friends and to bind his class closer together as a working unit. He yells at athletic events, attends all pep rallies, runs errands for upperclassmen, and is generally treated like a nobody. At the termination of this period of time, he is considered ready to continue his college career.

Having reached the pinnacle of his college career, the Presbyterian senior now has the background to steer a course toward a fixed goal and even higher aspirations. This period in his life will be looked upon as one in which he encountered frustration, success, sorrow, happiness, knowledge; but most important the realization of the completion of four years of dedicated work. The interlude between his entrance and his graduation contains a legacy of never to be forgotten memories and lasting friendships.
